**DECLARATION OF COVENANTS, EASEMENTS, RESTRICTIONS AND
ASSESSMENTS AND ASSESSMENT LIENS FOR OLENTANGY MEADOWS**

This Declaration of Covenants, Easements, Restrictions and Assessments and Assessment Liens (the "**Declaration**") is made on or as of this 25th day of October, 2004, by DOMINION HOMES, INC., an Ohio corporation, whose address is 5000 Tuttle Crossing Boulevard, Dublin, Ohio 43016 ("**Developer**").

Background

1. Developer is the owner in fee simple of the real estate identified and described on Exhibit A, attached hereto and made a part hereof by this reference (the "**Subject Property**").

2. The Subject Property is being developed and built as a residential subdivision of lots for single-family homes known as Olentangy Meadows (the "**Community**") and may include public or private streets, associated improvements, landscaped areas, entranceway and community border features, reserves, open or green spaces, and storm water drainage facilities.

3. Developer desires hereby to restrict the use and occupancy of the Subject Property and provide for the preservation of the values of and amenities in the Community for the benefit of the present and future Owners of the Lots and the Improvements constructed on them.

4. Developer hereby declares that all of the Subject Property shall be encumbered with the following covenants, easements, restrictions and conditions which shall run with the land and be binding on all parties having any right, title or interest in the Subject Property, or any part thereof, their heirs, successors and assigns, including the future Owners of any Lot, the Developer, the Developer's successors and assigns, and any utility companies, whether public or private, who are granted rights herein.

5. Further, Developer deems it desirable for the accomplishment of these objectives to create an association to which is delegated and assigned the non-exclusive right and obligation to administer and enforce the provisions hereof, to own certain property, to have easement rights with respect to certain property, to administer such property, and to collect and disburse funds necessary to accomplish these objectives. Accordingly, Developer shall cause to be incorporated a homeowners' association under and pursuant to the laws of Ohio, whose Members are and will be all of the Owners of a Lot or Lots in the Community.

**COVENANTS, EASEMENTS, RESTRICTIONS,
ASSESSMENTS AND ASSESSMENT LIENS**

NOW THEREFORE, in pursuance of a general plan for the protection, benefit, and mutual advantages of the property in the Community, Developer hereby declares that all of the Subject Property shall be held, developed, improved, encumbered, sold, conveyed and occupied subject to the following covenants, easements, and restrictions:

2. GOALS.

The covenants, easements, conditions and restrictions contained in this Declaration are declared to be in furtherance of the following purposes:

- (a) Promotion of the health, safety and welfare of all Owners and Occupants of property in the Community;
- (b) Ownership, administration, preservation, beautification and maintenance of the Community's Common Elements and all Improvements thereon;
- (c) Enforcement of architectural controls and restrictions applicable to the Community;
- (d) Compliance with all zoning and similar governmental regulations applicable to the Community; and
- (e) Provide for mandatory membership of Lot Owners in the Community, as it may be constituted, from time to time, in the Association, and the assessment and collection of funds to fulfill its objectives.

3. THE ASSOCIATION.

3.1. Purposes.

The Association shall apply all funds received by it pursuant hereto, and all other funds and property received by it from any source, to the fulfillment of the purposes of the Association as hereinbefore provided. The purposes of the Association are to:

- (a) To own, repair, maintain, regulate the use of, and to have easements with respect to various facilities and amenities in the Community that benefit all of the Community and its Owners and Occupants, including, without limiting the generality of the foregoing, the Common Elements and such other Improvements and amenities as designated to be Common Elements by Developer, and after the Turnover Date, by the Board;
- (b) administer and enforce the provisions of the Governing Documents; and
- (c) assess, collect and disburse funds necessary to fulfill these purposes.

3.2. Mandatory Membership.

Every Lot Owner shall be a Member of the Association. In the case of a Lot that is the subject of a recorded land installment contract, the vendee or vendees under that installment contract and not the vendor shall, while holding such interest, be a Member of the Association. There shall only be one membership per Lot. In the event the fee simple interest in a Lot, or ownership of the vendee interest in a Lot, is held by more than one Person, the co-interest holders of such interests while holding such interests shall have only one membership in the Association as tenants-in-common, with respect to that Lot. Such membership is appurtenant to and inseparable from such interests. Status as a Member shall automatically transfer to the transferee of that interest at the time the fee simple interest is transferred of record. Initially those Lots to which these membership provisions apply shall be those Lots that are subjected hereby to the provision of this Declaration, but as portions of the Additional Property or additional portions of the Community are subdivided and platted into Lots, and the Lots therein

subjected by amendments hereto to the plan hereof, membership in the Association shall extend to and encompass the holders of fee simple interests in those Lots, and holders of vendee interests under recorded land installment contracts with respect to those Lots, on the same basis as set forth herein for membership. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation and the giving of a security interest or mortgage shall not terminate the membership of any Owner, provided further, there shall not be a membership appurtenant to a Lot dedicated to common public use or owned by any governmental body, instrumentality or agency for so long as such body, instrumentality or agency owns that Lot and so long as it is not utilized as a residence, nor for a Lot, if any, that becomes a Common Element, for so long as it remains a Common Element. Voting and all other matters regarding the governance and operation of the Association shall be as set forth in the Governing Documents.

3.3. Powers; Authority; Duties.

The Association shall have all the rights, powers, and duties established, invested, or imposed in it pursuant to the Governing Documents, and the laws of the State of Ohio applicable with respect to Ohio non-profit corporations. Among other things, the Association, through its Board, shall have the power to acquire, own and convey real estate, hold easements with respect to, and maintain the Common Elements, enforce and administer the Declaration, Rules, restrictions and covenants applicable to the Community, sue and be sued, levy and collect assessments, collect and maintain reserves for replacements or anticipated expenditures, enter into contracts, mortgage and pledge all revenue received and to be received and/or to assign and pledge all revenues received or to be received by it under any provisions of these covenants, including, but not limited to, the proceeds of the assessments payable hereunder, and take such other actions as it deems appropriate to its purposes. The Association shall not be obligated to spend in any particular time period all the sums collected or received by it in such time period or in any other time period and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply any such surpluses to the reduction of the amount of the assessment in any year, but may carry forward from year to year and time to time such surplus as the Board in its absolute discretion may determine to be desirable for the greater financial security of the Association and the effectuation of its purposes.

3.4. Other Agreements.

The Association shall have the power and authority to contract with any person, corporation, firm or other entity, for the exercise of any one or more of the various powers and authority granted to and duties to be performed by the Association hereunder, and to delegate such powers and authority to any agent or employee of the Association, and the exercise of those powers and authority by such person, corporation, firm, entity, agent or employee shall be deemed the exercise of those powers and authority by the Association, except that no independent contractor shall be deemed by virtue of these provisions to be the agent of the Association. There shall be no requirement of any bond or surety for the Association, its agents, employees, or others assuring the exercise of the powers and authority granted hereunder, except as the Board shall in its sole discretion deem necessary or desirable for the safeguarding of any funds received by the Association. The Association may enter into agreements with other community, subdivision and condominium associations and/or master associations pursuant to

which the Association agrees (i) to share in the cost of maintaining, repairing and replacing landscaping, storm water retention facilities, mounding, fencing and any other improvements or services that benefit the Community or the Members; and (ii) grant reciprocal rights, licenses and/or easements to members of each such associations to use and enjoy each other's common elements, subject to such rules and regulations, restrictions and fees as the Association may determine from time to time.

3.5. Rules and Regulations.

The Association may make and enforce reasonable Rules governing the use, operation and/or maintenance of the property which is a part of the Community, which shall be consistent with the other provisions of the Governing Documents. The Association shall have the power to impose sanctions on Members and Owners for any infraction of the Governing Documents, including the provisions hereof and the Rules, which such sanctions may include without limitation: (i) reasonable monetary administrative charges which shall be considered Individual Lot Assessments; (ii) suspension of the right to vote as a Member of the Association; and (iii) suspension of the right of the Owner and that Owner's Occupants, licensees, and invitees, to use the Common Elements or any part thereof. In addition, the Board shall have the power to seek relief, including injunctive relief, in any court for violations or to abate violations of the provisions of the Governing Documents. If the Board expends funds for attorneys' fees or litigation expenses in connection with the enforcement of any provision of the Governing Documents, the amount so expended shall be due and payable by the Owner of the Lot whose Owner, Occupant, licensee or invitee violated the provisions of the Governing Documents, and the same shall be an Individual Lot Assessment against such Owner's Lot.

3.6. Implied Rights.

The Association may exercise any other right or privilege given to it expressly by the laws of the State of Ohio or any provision of the Governing Documents, and every other right or privilege reasonably implied from the existence of any right or privilege granted thereby, or reasonably necessary to effect any such right or privilege.

3.7. Managing Agent.

The Board may retain and employ on behalf of the Association a Manager, which may be Developer, and may delegate to the Manager such duties as the Board might otherwise be authorized or obligated to perform. The compensation of the Manager shall be a Common Expense. The term of any management agreement shall not exceed one year and shall allow for termination by either party, without cause and without penalty, upon no more than ninety (90) days prior written notice.

3.8. Insurance.

- (a) Fire and Extended (Special Form) Coverage. The Association shall, with respect to insurable property or interests owned by it, obtain and maintain insurance for all buildings, structures, fixtures and equipment and common personal property, now or at any time hereafter constituting a part of the Common Elements, against loss or damage

by fire, lightning, and such other perils as are ordinarily insured against by standard coverage endorsements, with such limits, deductibles, and coverage as is deemed appropriate by the Board. This insurance:

- (i) shall provide that no assessment may be made against a first mortgage lender, or its insurer or guarantor, and that any assessment under such policy made against others may not become a lien on any Lot, or other property, and its appurtenant interest, superior to the lien of a first mortgage;
 - (ii) shall be obtained from an insurance company authorized to write such insurance in the State of Ohio which has a current rating of Class A-/VIII, or better, as determined by the then latest edition of Best's Insurance Reports or its successor guide;
 - (iii) shall be written in the name of the Association;
 - (iv) shall not be cancelled upon less than thirty (30) days notice to the Association; and
 - (v) unless otherwise determined by the Board, shall contain a waiver of subrogation of rights by the carrier as to the Association, its officers and directors, and all Owners.
- (b) Liability Coverage. The Association shall obtain and maintain a Commercial General Liability policy of insurance covering all of the Common Elements and the functions of the Association insuring the Association, the directors, and its Members, with such limits as the Board may determine, but no less than the greater of (a) the amounts generally required by private institutional mortgage investors for projects similar in construction, location and use, and (b) \$1,000,000, for bodily injury, including deaths of persons, and property damage, arising out of a single occurrence. This insurance shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of any Member because of negligent acts of the Association, the Board, or other Members, and shall include, without limitation, coverage for legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements, and other legal liability, including liability under contractual indemnity clauses and liability arising out of lawsuits related to any employment contracts of the Association. Each such policy must provide that it may not be canceled or substantially modified by any party, without at least thirty (30) days prior written notice to the Association.
- (c) Other. The Association may, in the Board's discretion, obtain and maintain the following insurance: (a) fidelity bond coverage for all officers, directors, Board members and employees of the Association and all other persons handling or responsible for handling funds of the Association, (b) officers' and directors' liability insurance, (c) workers' compensation insurance, (d) additional insurance against such other hazards and casualties as is required by law, and (e) any other insurance the Board deems necessary.

- (d) Use of Proceeds. In the event of damage or destruction of any portion of the Common Elements, the Association shall promptly repair or replace the same, to the extent that insurance proceeds are available. Each Member hereby appoints the Association as its attorney-in-fact for such purpose. If such proceeds are insufficient to cover the cost of the repair or replacement, then the Board may levy a Special Assessment pursuant to the provisions hereof to cover the additional costs.

3.9. Condemnation.

The Association shall represent the Members in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Elements, or any portion thereof. Each Member hereby irrevocably appoints the Association as its attorney-in-fact for such purpose. The awards or proceeds of any condemnation action shall be payable to the Association, to be held and used for the benefit of the Members, as determined by the Board.

3.10. Books; Records.

Upon reasonable request of any Member, the Association shall be required to make reasonably available for inspection by any Member all books, records and financial statements of the Association, except for those items deemed privileged, protected, or confidential in accordance with applicable law, rules or regulations. The Association may charge a reasonable fee to cover the administrative costs of handling, copying, delivering, etc., the requested documents.

4. THE COMMON ELEMENTS.

Developer may, from time to time, at Developer's option, convey to the Association, for the use and benefit of the Association and the Owners and Occupants, real or personal property, or any interest therein, as part of the Common Elements, provided that property is free and clear of all encumbrances except real estate taxes and assessments, if any, not presently due and payable, zoning and building laws, ordinances and regulations, legal highways and restrictions, conditions, easements of record, including, to the extent Developer so determines, those contained herein, and all other liens and encumbrances of record or otherwise affecting the property. All such Common Elements shall consist solely of property (i) benefiting two or more Lots, Owners, and/or Occupants in the Community, as the same may from time to time be constituted; or (ii) as required by zoning. In addition, the Developer may also grant such easements to the Association as the Developer, in its sole discretion, determines to be of benefit to the Community, as the Community may be constituted from time to time. The Association may also acquire, hold, manage, operate, maintain, improve, mortgage and dispose of tangible and intangible personal property and real property in addition to that property conveyed to it by Developer.

5. ASSESSMENTS.

5.1. Types of Assessments.

Subject to the provisions of this Article, each Lot Owner, shall be subject to the following Assessments, which by acceptance of a deed to a Lot (whether or not it shall be so expressed in such deed) covenants and agrees to pay to: (a) Operating Assessments, (b) Special Assessments, and (c) Individual Lot Assessments, all of which are to be established and collected as hereinafter provided. No Owner may gain exemption from liability for any Assessment by waiving or foregoing the use or enjoyment of any of the Common Elements or by abandoning that Owner's Lot.

5.2. Operating Assessments.

For the purposes of providing funds to pay:

- the cost of the maintenance, repair, replacement, and other services to be provided by the Association;
- the costs for insurance and bond premiums to be provided and paid for by the Association;
- the cost for utility services, if any, charged to or otherwise properly payable by the Association;
- the costs for construction of new capital improvements on Common Elements not replacing capital improvements installed by Developer;
- the estimated amount required to be collected to maintain a general operating reserve to assure availability of funds for normal operations of the Association, in an amount deemed adequate by the Board;
- an amount deemed adequate by the Board to maintain a reserve for the cost of unexpected repairs and replacements of capital improvements and for the repair and replacement of major improvements for which cash reserves over a period of time in excess of one year ought to be maintained; and
- the costs for the operation, management and administration of the Association, including, but not limited to, fees for property management, landscaping, mowing, planting, lighting, pavement maintenance, snow and ice removal and mitigation, fees for legal and accounting services, costs of mailing, postage, supplies and materials for operating the Association, and the salaries, wages, payroll charges and other costs to perform these services, and any other costs of operations of the Association not otherwise specifically excluded;

the Board shall establish, levy and collect Operating Assessments against each Lot and its Owners subject to the same, an equal pro rata share of such costs, in accordance with the following:

- (a) Initial Period. Commencing the first day of the first full month after a Lot with a dwelling constructed thereon has been conveyed by Developer to a home purchaser, each Lot Owner shall be subject to and pay to the Association an Operating Assessment for the remainder of the calendar year, as determined by the Board, prorated in the proportion that the number of full calendar months remaining in the calendar year from the date of the closing of the conveyance of the Lot is to twelve (12). This amount may have been prepaid by the Developer and if so, a credit back to the Developer will be collected at the closing on the Lot.
- (b) Subsequent Calendar Year. Prior to January 1 (or a reasonable time thereafter) of each calendar year thereafter, the Board shall establish a budget for anticipated operating expenses for the next following Operating Assessment period commencing January 1 and ending the following December 31, and apportion the amount so determined in equal shares among all Lots in the Community that have had a dwelling constructed thereon and that have been conveyed to a bona fide home purchaser, and assess each such Lot and its Owner or Owners for the apportioned amount.
- (c) Due Dates. The Operating Assessments shall be due in monthly, quarterly, semi-annual, or annual installments, as the Board may determine. Except for the initial payment of Operating Assessments, notice of Operating Assessments, or if payable in installments, the dates those installments are due, shall be given to a Lot Owner not less than thirty (30) days prior to the date the Operating Assessment, or first installment thereof, is due.

5.3. Special Assessments.

The Board may levy against all Lots subject to Operating Assessments, and their Owners, Special Assessments to pay for capital expenditures, interest expense on indebtedness incurred for the purpose of making capital expenditures and not to be paid out of reserves, unanticipated operating deficiencies or any other purpose determined appropriate by the Board in furtherance of its functions hereunder. Those Special Assessments shall be allocated among Lots on the same basis as Operating Assessments are to be allocated, and shall be due and payable on such basis and at such times as the Board directs, provided that no such Special Assessment shall be due and payable on fewer than thirty (30) days written notice.

5.4. Individual Lot Assessments.

The Board may levy an Individual Lot Assessment against any Lot Owner to reimburse the Association for costs incurred on behalf of that Lot, or as a consequence of any act or omission by any Owner, Occupant, or invitee thereof, including without limitation, costs associated with making repairs that are the responsibility of the Owner; costs of additional insurance premiums specifically allocable to an Owner; costs of any utility expenses chargeable to an Owner but not separately billed by the utility company; and all other administrative and enforcement charges, including attorneys' fees, incurred by the Association reasonably

determined to be an Individual Lot Assessment by the Board. By way of illustration, and not of limitation, the Board may levy an Individual Lot Assessment in the nature of an administrative charge reasonably determined by the Board against any Lot Owner who violates any provision of the Governing Documents, or who suffers or permits the Members, guests, invitees or tenants of that Owner's Lot to violate the same or any provision of the Governing Documents, including the restrictions contained herein and in the Rules. Upon its determination to levy an Individual Lot Assessment, the Board shall give the affected Lot Owner written notice and the right to be heard by the Board or a duly appointed committee thereof in connection with such Individual Lot Assessment no fewer than ten (10) days prior to the effective date of the levy of any such Lot Assessment.

5.5. Remedies.

- (a) Acceleration. If any installment of an Assessment, or portion thereof, is not paid within ten (10) days after the same has become due, the Board, at its option, without demand or notice, may call the entire balance of the Assessment due.
- (b) Late Charge. If any portion of any Assessment remains unpaid for ten (10) days after all or any part thereof shall become due and payable, the Board may charge interest on the entire unpaid balance from and after that date at the lesser of (i) the "prime rate" charged locally by a nationally recognized bank in the Columbus area plus five percent (5%) per annum or (ii) the highest rate permitted by law, together with a reasonable administrative collection charge, as established by the Board.
- (c) Liability for Unpaid Assessments. Each Assessment or installment of an Assessment, together with interest thereon and any and all costs of collection, including reasonable attorneys' fees, shall become the joint and several personal obligation of the Owners of the Lot charged the same, beginning on the date the Assessment or installment thereof becomes due and payable. The Board may authorize the Association to institute and prosecute to completion an action at law on behalf of the Association against the Owner or Owners personally obligated to pay any delinquent Assessment, and/or an action to foreclose the Association's lien or liens against a Lot or Lots for unpaid Assessments owed by that Lot and the Owner or Owners thereof. In any such action, interests and costs of such action, including reasonable attorneys' fees, shall be added to the amounts owed by the Owner or Owners and the Lot to the extent permitted by Ohio law.
- (d) Liens. All unpaid Assessments, or portions thereof, together with any interest and charges thereon or costs of collection, shall constitute a continuing charge in favor of the Association and a lien on the Lot against which the Assessment was levied. If any Assessment, or portion thereof, remains unpaid for ten (10) days after it is due, then the Board may authorize any Officer or appointed agent of the Association to file a certificate of lien for all or any part of the unpaid balance of that Assessment, together with interest and collection costs, including attorneys' fees, with the appropriate governmental office. The certificate shall contain a description of the Lot which the lien encumbers, the name of the Owner or Owners of that Lot, and the amount of the unpaid portion of the Assessment. The certificate may be signed by any Officer, authorized agent or the Manager of the Association or its authorized representative. Upon the filing of the

certificate, the subject Lot shall be encumbered by a continuing lien in favor of the Association. The Assessment lien shall remain valid for a period of five (5) years from the date such certificate is duly filed, unless the lien is released earlier or satisfied in the same manner provided by the law of the State of Ohio for the release and satisfaction of mortgages on real property, or until the lien is discharged by the final judgment or order of any court having jurisdiction.

- (e) Subordination of Lien. The lien of the Assessments provided for herein shall be subject and subordinate to the lien of any duly executed first mortgage on a Lot recorded prior to the date on which such lien of the Association is perfected by recording a certificate of lien, and any holder of such first mortgage which comes into possession of a Lot pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid Assessments against the mortgaged Lot which became due and payable prior, in the case of foreclosure, to the date of the sale, and, in all other cases, to the date legal title vested in the successor Owner.
- (f) Contested Lien. Any Owner or Owners who believe that an Assessment chargeable to that Owner or Owner's Lot, and for which a certificate of lien has been filed by the Association has been improperly charged against that Lot or Unit, may bring an action in the Court of Common Pleas in the county where the Subject Property is located for the discharge of that lien and/or for a declaratory judgment that such Assessment was unlawful. The filing of such action shall not be grounds for an offset or to withhold payment. In any such action, if it is finally determined that all or a portion of the Assessment has been improperly charged to that Lot, the Court shall make such order as is just, which may provide for a discharge of record of all or a portion of that lien and a refund of an Assessment or portion thereof determined to be unlawful.
- (g) Estoppel Certificate. The Board shall, within a reasonable time following receipt of a written demand and for a reasonable charge, furnish a certificate signed by the President or other designated representative of the Association, setting forth whether the Assessments on a specified Lot have been paid. This certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.
- (h) Suspension of Vote and Use of Common Elements. If any Assessment remains unpaid for thirty (30) days after it becomes due, then the delinquent Owner's voting rights upon Association matters and privileges to use the Common Elements, shall be suspended until such Assessment is paid. In any case, suspension of any such rights shall be subject to the right of an Owner, Occupant, or their licensees or invitees, to necessary ingress and egress to and from that Owner's Lot.

In addition, this Declaration may be amended or modified after the Turnover Date with the approval of Owners holding not less than seventy-five percent (75%) of the voting power of all Owners in the Association; provided, however, that the consent of Developer shall be required for any amendment or modification which affects Developer's rights hereunder, and further provided that the consent of all Owners shall be required for any amendment which effects a change in the voting power of any Owner, the method of allocating Common Expenses among Owners, or the fundamental purpose for which the Association is organized. Any

amendment to this Declaration adopted with the aforesaid consent shall be executed with the same formalities as to execution as observed in this Declaration by the president and the secretary of the Association, and shall contain their certifications that the amendment was duly adopted in accordance with the requirements of this paragraph. Any amendment so adopted and executed shall be effective upon the filing of the same with the County Recorder of the County in which the Community is located.
